Principal's Message

Students:

Fortunately or otherwise, we live at a time when the average individual has to know several times as much in order to keep informed as he did only thirty or forty years ago. Being "educated" today, requires not only more than superficial knowledge of the arts and sciences, but a sense of their inter-relationship. This kind of education means preparation for world citizenship; in short, education for survival.

It is impossible to educate you against your will. All that can be done is to put you in a position where you can find an education. Motivation is the first necessity for this learning. You must wish to learn and you must wish to develop. Also, you must be curious, you must be eager, and you must be serious.

And while formal instruction ends in the classroom, education ends only with life.

Hi there!

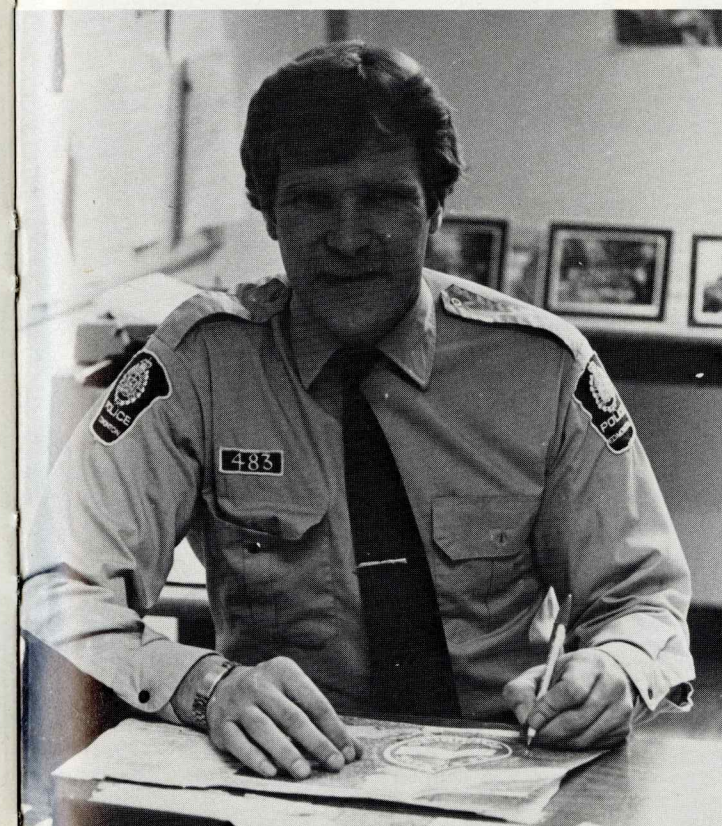

School Resource Officer

Bob Turko

"The School Resource Officer Program" is only as effective as the people who exhibit their support for this endeavour. It is due to the generous support from the entire staff and student body at Bonnie Doon that this program has become so successful. Thank you, to all the SUPER students and staff members at EBCHS for this great school year!!

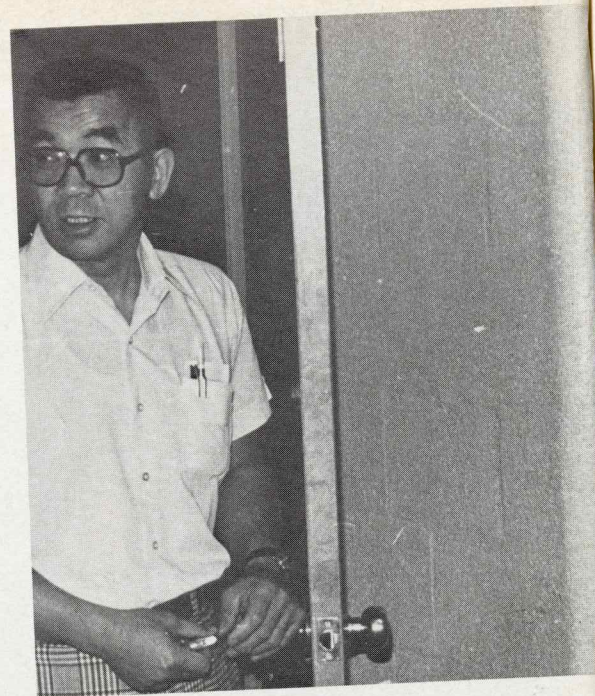

Turk

Officer Turko has been an integral part of Bonnie Doon for two years. In that time he has contributed to all facets of student and staff life at BDCHS. His presence has added a great deal to the school and we hope he continues to stay. Thanks, "Uncle Bobby" Turko.

Listen to the Wind

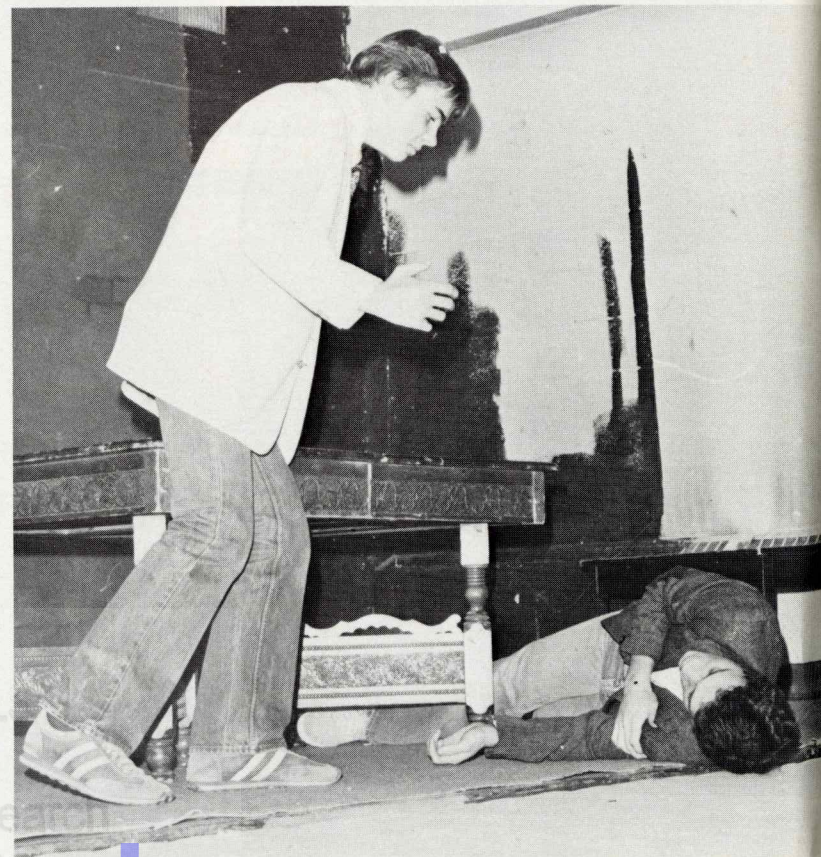

1st Year Play

LISTEN TO THE WIND, a play by Canadian poet and playwright James Reaney, is about a young man, Owen Taylor, who is dying of a hereditary disease. Owen decides he would like to put on a Gothic style play using his family and friends as the cast. The play that Owen stages takes place at Caresfoot Court in the 19th century. As the play progresses Owen's life's dreams and ambitions are revealed. Through this revelation Owen and his family find many things easier to accept. The students involved in the play thoroughly enjoyed themselves and found it a very rewarding experience. Everyone who attended the performance found the play worthwhile and the performance very good.

The Music Still Goes On

BONNIE DOON MUSIC DEPARTMENT

For the past several years Bonnie Doon has had four bands in its music program. These bands are the aspiring Beginner Band, the popular Junior and Senior Concert Bands and the very accomplished Stage Band. Plans for '80-'81 included attending two festivals in Red Deer, the Kiwanis Festival here in Edmonton, and the Canadian Stage Band Festival. In previous years, Bonnie Doon distinguished themselves in these concerts and this year was no exception. Arrangements were also made for a springtime trip to Vancouver or Moose Jaw.

The music department acquired a new teacher this year. Mr. D. Zimmerman replaced Mr. Miller who left BDCHS to pursue a private career. Mr. Zimmerman hoped to continue and even improve the fine tradition of music at our school.

How's this pose?

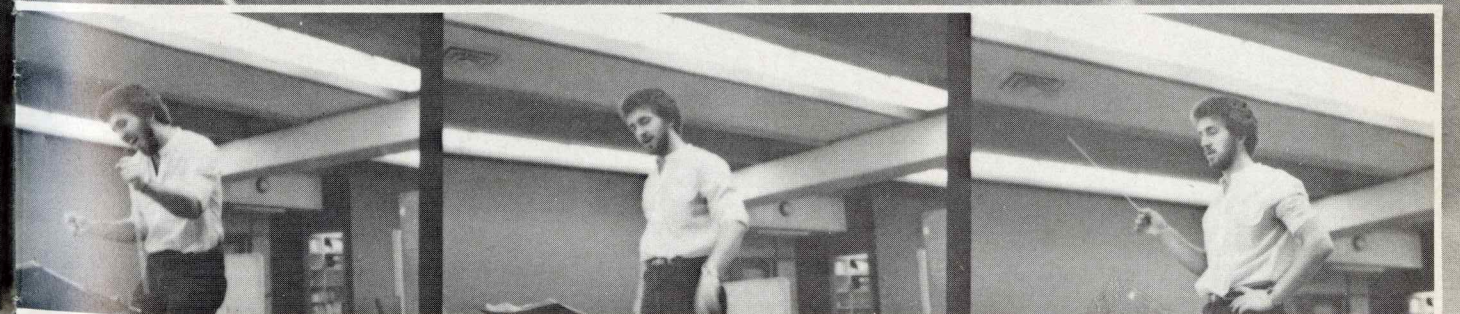

Mr. Miller was the music teacher at BDCHS for many years and in that time he contributed greatly to the music department. With Mr. Miller the Bonnie Doon Stage Band achieved many honours. BDCHS wishes Mr. Miller the best luck in years to come and reminds him that there is always a place for him here. Thank you, Mr. Miller.

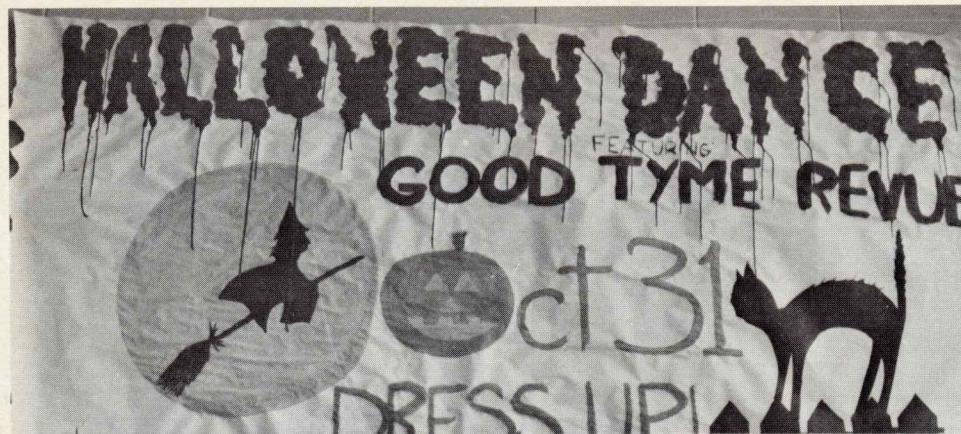

Good-bye, Mr. Miller.

DEAF-SIGNING CLUB

The object of the Deaf-Signing Club was to promote awareness through learning a new language. Students met every Thursday and were taught deaf-signing in the forms of both the alphabet and the more advanced word signals. Deaf-signing is an excellent way to promote communication and understanding of others. The students in the club felt it was very worthwhile and strongly recommended it to everyone.

RADIO BONNIE DOON

Everyday RBD fills the halls with music - though not everyone agrees on that description of it!! Aside from entertaining the students of Bonnie Doon, our own radio station informs us of every day happenings and delivers important messages via the intercom system. RBD is a good way to get your favourite music played throughout the entire school.

FRENCH CLUB

The French Club concerned itself with the study of French culture with special emphasis on French cookery. The club involved itself in many activities such as the Alberta Cultural and Linguistics Awards, cream puff and crepe sales, French films and plays, performing their own plays and the introduction of the Candygram to the school. Speaking French was naturally the biggest part of the club and this facet of the club was aided by Linda Ross, a Quebec student studying at the Faculte Saint Jean. The club in general found that speaking French constantly greatly improved their pronunciation and comprehension. All members of the club felt it was an especially good year for the French club and hoped it would continue in this vein.

DEBATE CLUB

The debate club concerned itself with diction, voice projection and public speaking. Every week the group read stories, reports, speeches and poetry to improve in the above mentioned areas. The club planned to participate in the Speech Competitions with the Kiwanis Festival. The club did not wish their picture to be taken because they felt they would get more members later in the year. As of January 21/81 the club members were Stephan Thorne, Vijai Prasad, Don Butlin, Cathy Kuehne and the club sponsor, Mrs. Binder. The club was fortunate enough to have their own resident magician, Stephan Thorne, who often performed magic tricks for the group.

TARTAN

The Tartan is the literary magazine of BDCHS. The main reason for the Tartan is that it is a vehicle for students to try out their literary attempts on their "colleagues." The Tartan begins exposing the writer to the "public." Most submissions come from students who did the project as a class assignment and then were gently coerced into allowing it to be published. To encourage submissions the Tartan had a writing contest.

PHOTOGRAPHY CLUB

This is the first year the the Photography Club has agreed to do the yearbook photography, so all the pictures in this book are due to the club. In addition to this rather large undertaking, the club has educated its members in Darkroom Techniques and other aspects of photography. Artistic photograph displays were done and the club planned to have its First Annual Photography Competition.

The Badminton Club meets every Tuesday in the small gym. The basics of badminton are taught and practiced. After Christmas, the members who wished, became members of the school team and competed with other badminton teams in the city. In addition, some became members of the city team and competed in the Provincial Championships.

The ISCF Club hopes to demonstrate that Christianity can be fun. It strives to maintain a balanced program between Bible studies and recreational activities. They have raised money to help needy people in Edmonton and in poverty-stricken countries. To date, they have had many Bible studies, films, games, speakers and the popular Texas doughnut sale and have participated in two very educational and fun-filled city-wide socials. Other activities have been a penny drive, a Christmas party, camps and singing groups.

RUSSIA '81

Those present for the group photo were:

BACK ROW: Judy Schroeder, Scott Fralick, Donna Pelich, Dan Pipe, Amelia Zahara, Monica Hirt, Colleen McGhan, Shelley Vos, Karen Dawson, Teresa Mitchell, Sylvia Streu, Michelle Badorek, Steve Rosell.
FRONT ROW: Tracy Clarke, Tanya Ewashko, Cheryl Steinke, Mr. Ross, Tamara Ewashko, Karma Kostyshyn, Kelley Phillips, Wendy Michalow, Muriel Macmillan, Kim Troock, Kelly Hamilton, Dan Szukalow.

The Russian '81 Club planned a trip to Russia, namely Moscow and Leningrad with a stopover at Helsinki in Finland during the Spring Break. The idea of the trip was to promote BDCHS through student travel and to learn from travelling. Studies were made by the Russian '81 group of Russian culture, food, language and many other aspects of the U.S.S.R.. Another important objective of the club was to increase the understanding of other political, economic and social systems - and to have a great time. Students who went on the trip found it extremely interesting and found Russia an entirely different society. Many enjoyed trying to fit into life as an average Russian and everyone enjoyed the trip.

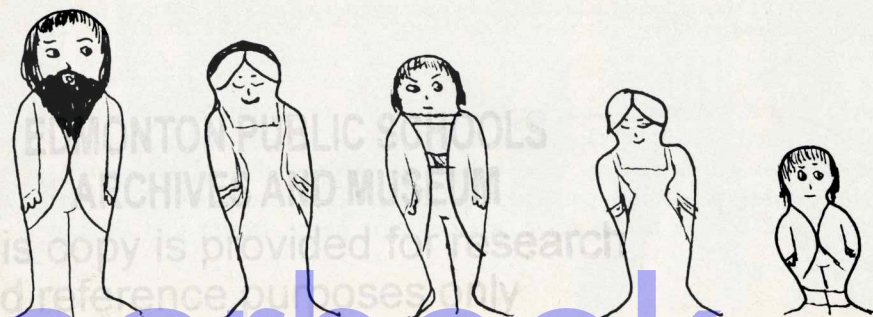

SKI CLUB

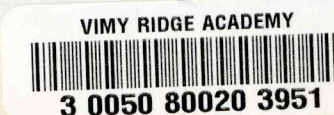

Those present for the group photo were:

FRONT ROW: Bill Service, Karen Bzawy, Linda Chichak, Shannon Boyd, Jackie McLeod, Lisa Tomchuk, Colleen Elston, Angela Shaw, Karen Lessard, Bonnie Brunese.
SECOND ROW: Brian Peter, Karl Maiers, Rhonda Press, Elaine Meuller, Shannon Jones, Sandra Hinterleitner, Ralph Schmidt, Stuart McCormick, Caroline Renney, Trudie Antoniuk, Kevin St. Louis, Tessa Kinasewich, Hany Rabeeh, Dennis Akerstrom, Jon Luckett.

BACK ROW: Kevin Swanson, Mike Breunese, Mike Papanikolaou, Murray Wilkes, Weston McMillan, Dave Hendrickson, Darren Berg, Darryl Haison, Mike Cox.

The idea of the Ski Club was to promote school spirit through fellowship and activity. The Ski Club provided healthful outdoor activity and encouraged positive attitudes towards ecological awareness. By good behaviour and through good attitudes the Ski Club promoted a good image of BDCHS. Four trips, twice to Sunshine, once to Lake Louise and once to Marmot Basin, were planned.

CHEERLEADERS

This year was a very active one for our cheerleaders. Originally starting with fifteen girls, they were finally reduced to nine. The girls who continued throughout the year were all grade 12 graduating students and they all felt cheerleading really made their final year very worthwhile and fun. The function of the cheerleaders was to "serve" the school in a different manner. BD's cheerleaders differed from others in that they wanted to emphasize school spirit more than anything. Their major activities included their famous taco sales, cheering at the Western Canada Conference Finals, cheering at the national basketball tournament at Victoria CHS, and attending a Cheer Canada Clinic sponsored by CHQT at Austin O'Brian Catholic School. Aside from these activities the girls have cheered at Senior Football and Basketball games. All the girls found cheering time-consuming but rewarding.

I don't think I can get up.

Cheer Canada Competition

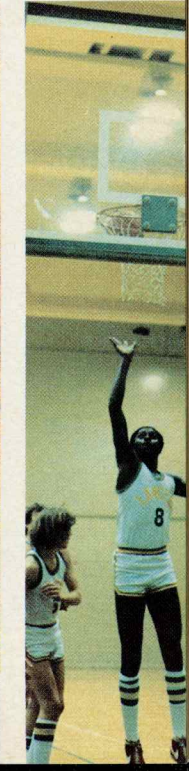

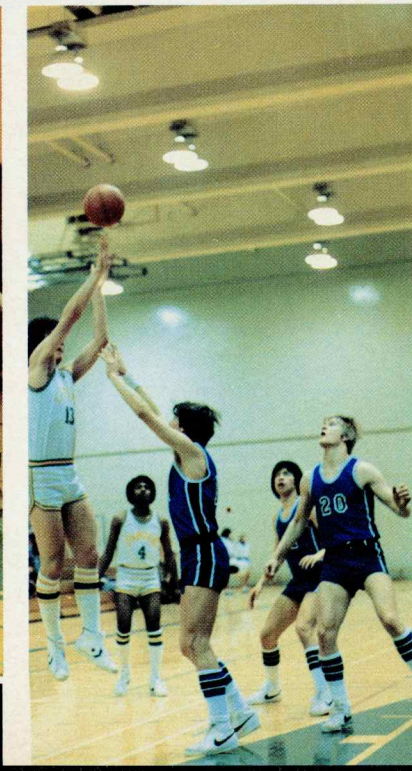

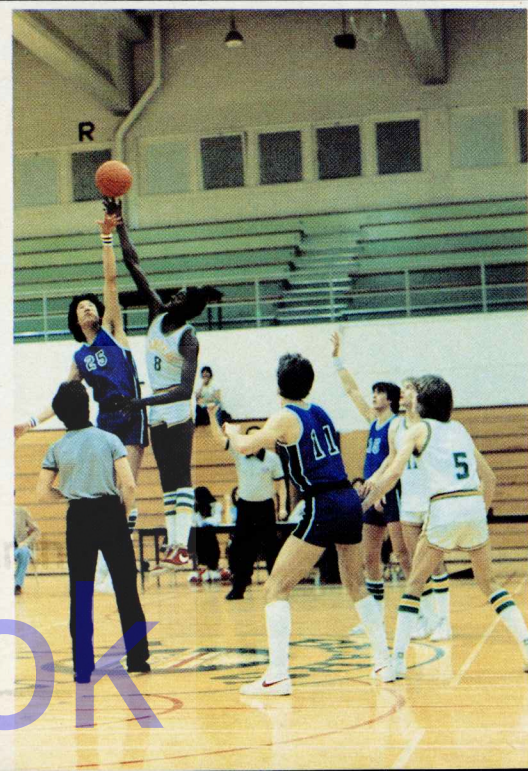

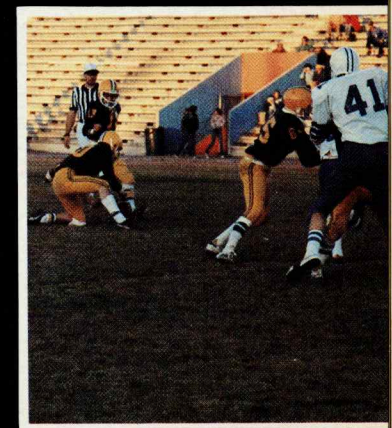

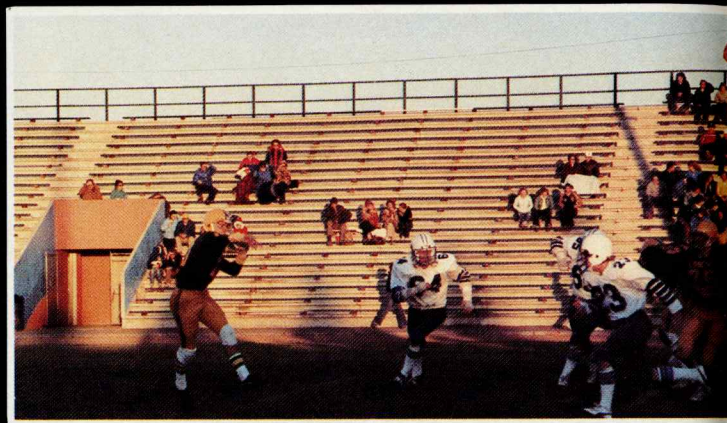

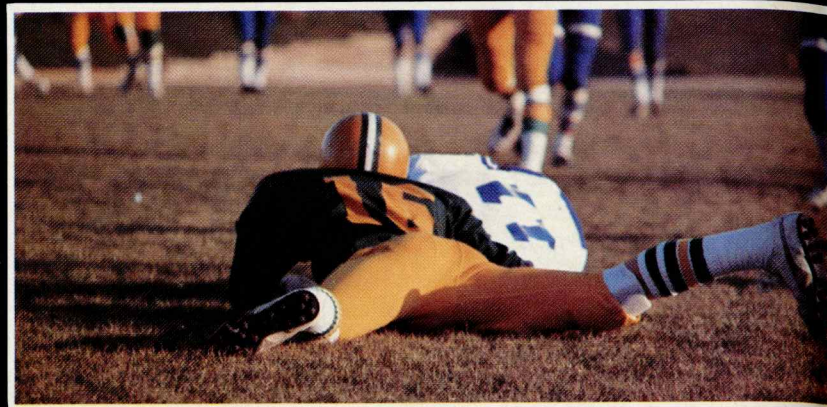

Bonnie Doon's Cheerleaders attended a Cheer Canada Competition at Salisbury where they performed a half-time show - which is pictured above. The girls did very well at the competition and were commended for their originality.

SENIOR LANCERS

The Senior Lancers had a rather difficult year due to many injuries. Aside from this, the team was exceptional with regard to team spirit and cooperation. The team worked well together and almost all of the games were lost by very few points. Although the league this year was very tough and competitive the Lancers managed to make it to the B Division play-offs where they were defeated by M.E. Lazerte. The boys won notable victories over many other teams, which included Jasper Place and Scona. Many of the boys felt that their poorer than usual showing was due to the many injuries that they had suffered. Among the outstanding players were Colin Oppen, who became the leading receiver in the league; Darren McLean, who was known for his excellent passes; and Jim Manson, who for a time, led the league in pass interceptions. All look forward to Lancer victories in the future.

JUNIOR LANCERS

This year turned out to be a good one for the Junior Lancers. In the league standings, they finished third. The boys played in the city consolation round - unfortunately, they lost out to Harry Ainlay by a score of 8 to 7. Most of the boys hope to play next year, either remaining with the Junior Lancers or advancing to the Senior Lancer team.

A Rebuilding Year

SENIOR VOLLEYBALL

Generally the year was a good one for the Senior Volleyball team. The boys made it into the top four teams which is indicative of a good showing. There was a slight slump, however, as they did not quite make it to the Provincial Finals. Since this was a rebuilding year we may look forward to an even better team in the future. The team also attended tournaments in Saskatoon and Calgary, winning both of these games. Many of the players were outstanding but only three could be picked for the NAIT All City Tournament. Deider Schmidtke, Marc Brisebois, Kevin Swanson, along with Mr. Lerbeckmo (as coach) were selected for this tournament, which they won 3-0.

SENIOR VOLLEYBALL

This year was a learning experience for the girls. The highlight of the season would have to be the girls' performance in Saskatoon both on and off the court. Since all but two of the girls were grade elevens, the team should do extremely well next year.

Mrs. Dickie, Karen Sharratt, Coaches; Dianne Nilson, 1; Lisa Schweitzer, 2; Yvonne Wemyss, 3; Corinne McMechan, 6; Dawn Sager, 7; Josy Holz, 8; Joan Grant, 9; Heather Shepherd, 11; Sue MacAndrew, 12; Bonnie Daneliuk, 13; Ronda Kincade, 17; Kathy Smith, 19; Carol Lee, 21.

JUNIOR VOLLEYBALL

B.D.C.H.S. has every reason to be proud of the fine effort and dedication of the girls' junior team. The team completed the season by representing our school in the city semi-finals. The last match was an exciting one, with M.E. Lazerte winning by only two points. Many of the players will be returning next year for an even better season.

A Team Effort

SENIOR BASKETBALL

The boys won nine of their games and managed to get into the semi-finals which they lost by only seven points. Although the team suffered from some minor organizational problems at the beginning of the season, these were easily resolved by the team effort put forth by the boys. The team placed third in the City Division.

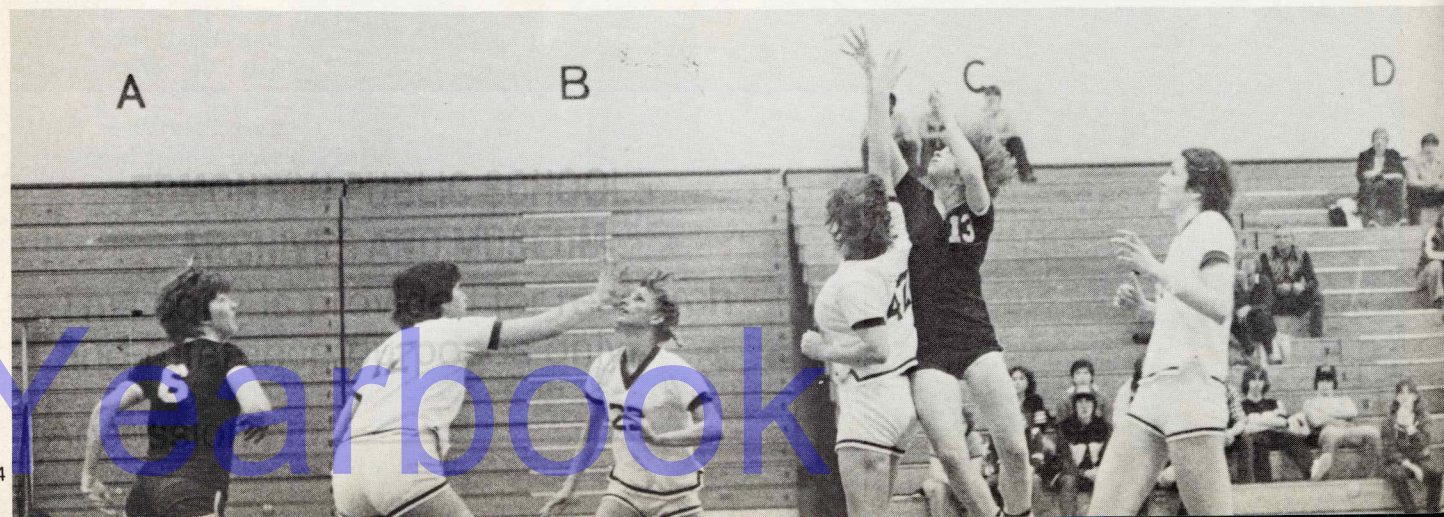

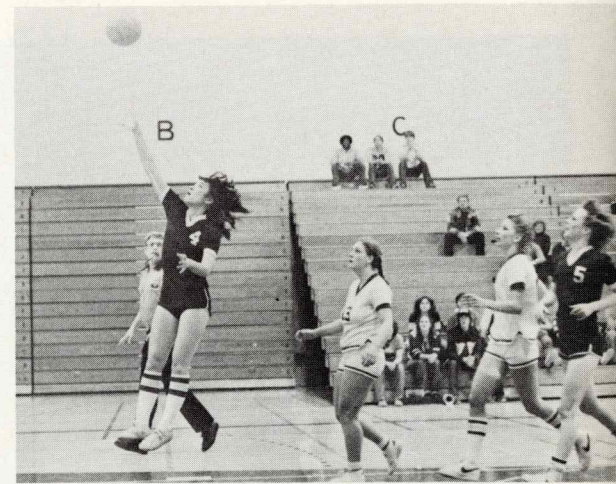

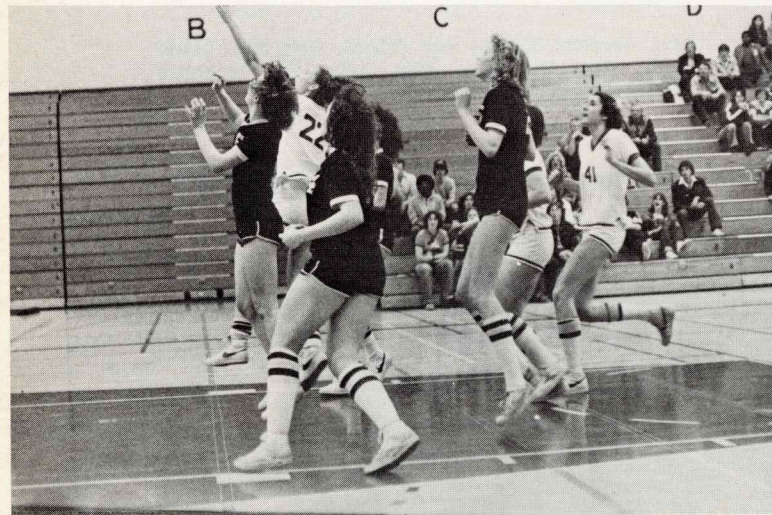

Determination Took Them Far

SENIOR BASKETBALL

The team went into the City Play-Offs ranked third in their league play. They defeated Ross Sheppard in the quarter finals (61-54) and MacDonald in the semi-finals (63-53). The girls ran out of gas in the finals losing to Lazerte (57-46). The girls played well all season and with great determination fought their way to second place in the City. Kathy Prochnau was the lead scorer in the Premier Conference and was named to the All City Team.

JUNIOR BASKETBALL

The Junior girls had a very successful season finishing second in the Premier Conference. Unfortunately, they lost an exciting game in the semi-finals to Ross Sheppard by only one point. The girls improved a great deal during the season under the leadership of their coach, Pat Kehoe. Many of the girls will become welcomed additions to the Senior team next year.

Promising Prospects

JUNIOR BASKETBALL

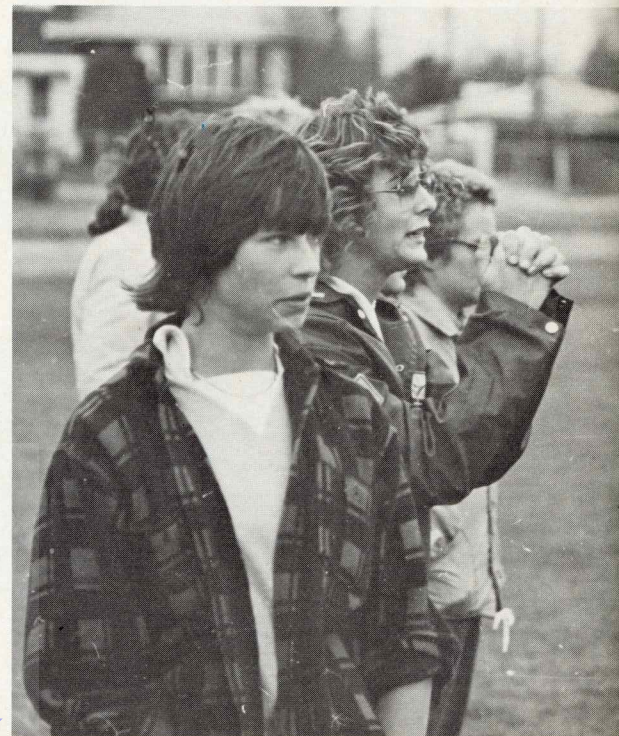

This was a good season for the Junior boys. The team managed to make it all the way to the quarter finals and lost to St. Joe's by only a slim margin. The team finished in the top four which is indicative of the skill and effort of the boys. Among the boys there were many who were outstanding and are excellent prospects for future basketball teams.

Miss Holder, Coach; Yolanda Kruyer, 23; Heather Abel, 19; Shirley Benson, 21; Danna Qinn, 11; Brenda Sautner, 10; Gwen Sautner, 1; Janice Martin, 16; Jill Munro, 52; Shauna Dobson, 3; Shelly Bartz, 55; Conny Meyer, 14; Kim Fallis, 8; Colleen Dobson, 3; Kathy Columberg, 15; Kim Oshanek, 40; Tracey Freeman, 17; Cheryl McPherson, 97 1/2; Kathy Prochnau, 13; Bev Wolfert, 12; Lisa Mackenzie, 25; Stacey Mckenzie, 18.

Enthusiasm

The Field Hockey team finished the fall season with a trip to the city finals, and a record of five wins, no losses and one tied game. As the season progressed the girls not only improved but played with a great deal of enthusiasm.

Mr. Doty, Coach; Lisa McKenzie, Dawn Wedman, Carol Bergson, Kim Oshanek.
MISSING: Colleen McGhan, Alternate.

Excellence

This year the curling team made it all the way to the Provincial Finals and won first place in the B Division. In addition to this the girls also won the City Division. Generally they felt that the year went very well and were very happy with their improvement. The group's teamwork aided them in their many victories.

MIXED CURLING CLUB

The Curling Club gives students both a chance to learn a new and exciting winter sport, as well as to meet new friends. Although none of them feel that they could be classified as experts, several members have been approached to play in the Silver Broom ... would you believe - next year - maybe? The members had a lot of fun and highly recommend it to other students for next year.

Hard Work

The Swim Team made it to the High School Finals and placed a respectable sixth. Other events the team attended were swim competitions, particularly, a meet at the University of Alberta. The team worked very hard. They all felt that the year was excellent and believe that greater achievements will be made in the future. Originally there were only seven members on the team but as the year progressed the number increased to fifteen. This was the number that competed in the High School finals. Colleen McGhan did particularly well in this meet as did Jill Munro. Jill did much of the organizational work for the team and they would all like to thank their coach.

HANDBALL

This was one of the first years for the girls' handball team. Although they made it into the semi-finals, they lost a very close game to McNally. The team did well in the various tournaments in the city and hope to go even further in the future.

SOCCER

The girls' soccer team came out on top this year. Although some of the girls on the team were inexperienced in soccer, they won the City Championship, sliding through the mud to do it. The determination and effort of the team paid off tremendously this year.

SENIOR RUGBY

In three years of play, the team has lost only 3 games. This year their record was flawless with not a single loss. The team captured the City Championship by defeating Salisbury in a close game of 19 to 13. In the Pirates' 7 Aside Rugby Tournament, the team won the School Boys' Division for the 3rd straight year.

A Fine Trend

JUNIOR RUGBY

1981 saw the formation of the first junior rugby league. Our team was very successful, losing only to Salisbury in the City Finals. The team held one of the most outstanding point records in the city. They scored 108 points, and only had 11 scored against them. The first year for the team was exceptional and we hope that this fine trend will continue in rugby at BDCHS.

SENIOR SOCCER

The team entered the Premier Conference with a record of 3 wins and 2 losses. In the ability round, the record was 1 win and 7 losses, which placed them 8th in the Conference and pitted them against first place (and eventual city champion) St. Joseph in the quarter finals. The game was lost by a score of 6 to 1. Considering the inexperience of the team, their record was quite good and we at BDCHS can look forward to even better years.

JUNIOR SOCCER

The Junior Soccer team did well this year. The boys put forth a lot of effort and the results showed the value of it. They were the City Champions.

President's Message

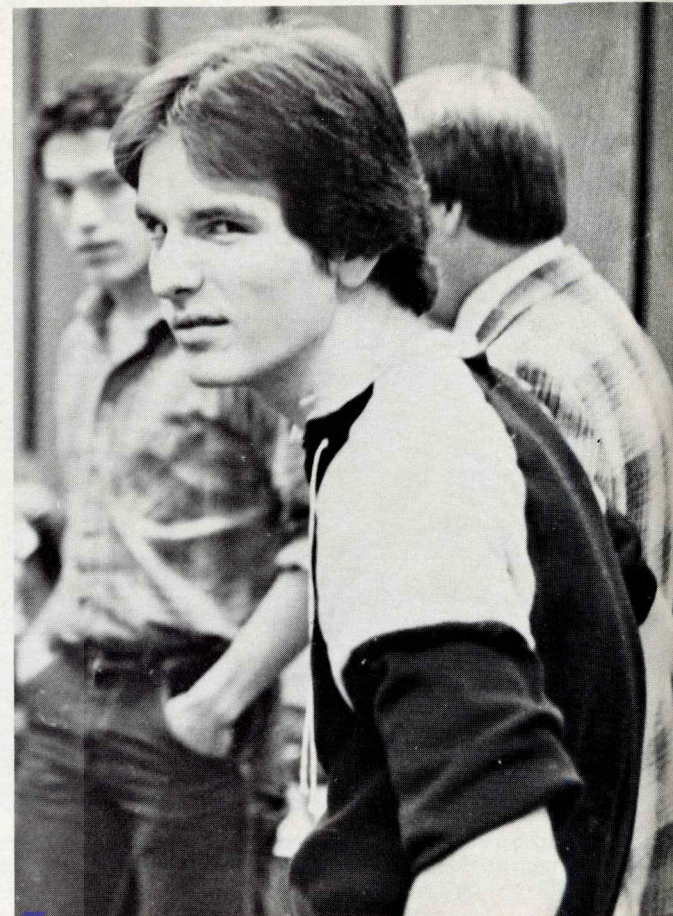

I think every person who runs for president has the idea in the back of his or her mind that he or she is going to make the year really special. I was no exception. In some ways my hopes were rewarded and I'd like to thank all the students and staff who participated in the year's activities because they were the ones that made it work.

The goal of Students' Union this year was to make school more of an interesting place rather than just a place that you go to catch up on your sleep from the weekend. It's the "social" part of school life that you'll remember more fondly than Math and English and I hope Students' Union has helped make some of these memories.

Finally, I'd just like to say thanks again, especially to Mrs. Heppell and the other members of S.U. I wish everyone the best of luck and hope all your dreams come true.

The World of Dizziness

The Variety Show of 1981 was a memorable event for everyone involved. The "actors," the coordinators and the audience were very pleased with the humourous outcome.

The Show was composed of fourteen acts. The range of talent was wide and all groups in the school participated. The students provided the bulk of the entertainment but the staff made an unforgettable addition, in the form of CINDERELLA. Other unforgettable sights were Constable Turko in a pink dress, Gerry "Mean Joe Green" Whittaker in a dress, Jack "Hack" Geldart and his Black Lungs, and some excellent magic by Stephan Thorne. Mr. Norby was the Master of Ceremonies for the Show and his jokes will not, unfortunately, soon be forgotten.

Mrs. Dickie and the other coordinators of the event worked hard to make the Show the success it was. Advertising for talent began in January and everything finally came together in March.

The Variety Show was well received and thoroughly enjoyed by all who participated. We hope the trend will continue in future years at Bonnie Doon.

Valedictorian

Good evening honoured guests, ladies and gentlemen, fellow graduands:

I feel very proud and honoured to be able to address you this evening as Valedictorian and I share with my fellow graduands a unique and special pride in being part of Bonnie Doon's Graduating Class of 1981. Tonight, we the class of '81 are assembled for perhaps the last time, and as quickly as the years now behind us came to pass, this, our special evening shall also pass by, leaving a memory.

Many new roads now lay before us as our twelve year journey comes to an end ... the road of the future will be of our own choosing. It is due to the time and patience of the many people ... that we have acquired the tools by which to work our way on further through life. To our parents, we thank you for your continual guidance, support and love; to our friends, we thank you for the laughter and happiness we have shared; to our teachers, we thank you for your patience and understanding; and to you all, we thank you for so many good memories.

I would like to take this moment to share with a quotation by Leo Tolstoy presenting his view on life:

"I looked more widely around me, I studied the lives of the masses of humanity, and I saw that, not two or three, or ten, but hundreds, thousands, millions, had to understand the meaning of life that they were able both to live and to die. All these men were well acquainted with the meaning of life and death, quietly labored, endured privation and suffering, lived and died, and saw in all this, not a vain but a good thing."

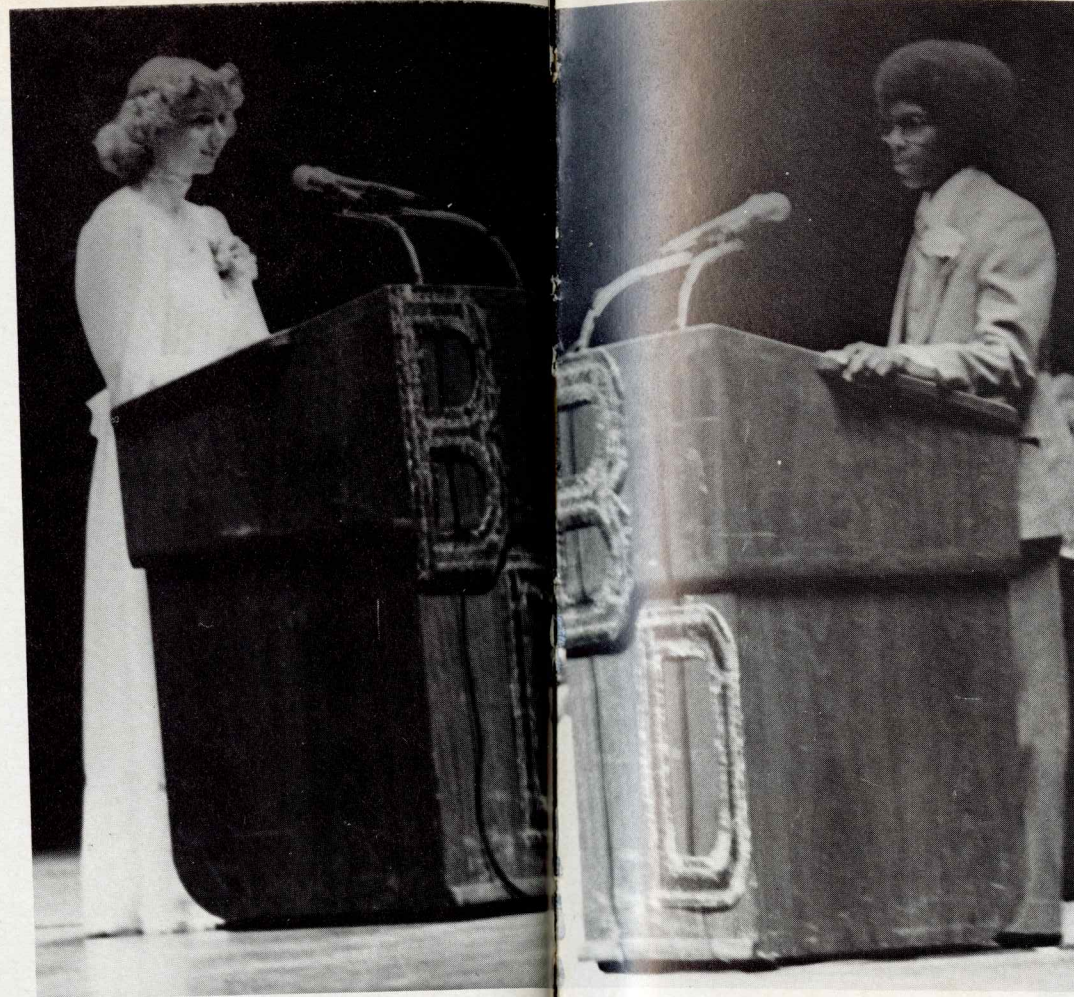

The quotation I have just recited may be applicable to our lives today. We have not struggled for twelve years to receive nothing. We have gained an education. Something my parents long ago taught me is the value of an education. It is so very precious and priceless that it may never be taken away or bought. Whatever time we have spent learning and will spend in the future, shall never be time lost or wasted.

Tonight, we hold with us our past twelve years of education and our future dreams. Perhaps for some of us, our dreams are now more clearly defined than they have been in the past, but ahead of us all lies the task of converting these dreams into reality. It is not easy in this age of cynicism in which only negative aspects are so often stressed, to even retain a dream. I therefore suggest to you that rather than destroy another's dream, you help, support, and most importantly believe in one another. By doing this, you will gain a better understanding of those around you and you shall in turn receive a feeling of well-being and the fulfillment of part of your own dream.

We are all very different individuals, gifted with different talents, and it is for this reason that the roads we now choose shall differ. How successful we will become cannot be answered, for each of us shall measure his or her successes differently. Being happy at what you do and contributing to those around you is perhaps the best measure of your success.

With regards to the future, I hope in all sincerity that your aspirations come within your grasp and that each of you may find happiness and fulfillment in your future endeavors.

May God bless you all, Thank you.
Cheryl Steinke

Historian

Bonnie Doon gave to us many new things to look forward to: a better education, a new way of life, grad and, not to forget, better developed girls and guys ...

Sports have always been a way of life at Doon. The reputation of Bonnie Doon has been good and sometimes not good. Our biggest problem was that we loved to fight. Our football teams in the past three years have always been different and exciting. In Grade 10 we went to the city finals, but lost. In Grade 11 for the first time we didn't make the playoffs. In our graduating year we went to the Salad Bowl and got tossed around.

The boys' and girls' volleyball teams have had their share of victory and defeat. The boys went to the playoffs usually every year but, like I said, they've had their share of victory and defeat. The girls made it to the semi-finals in Grades 10 and 11 but in the Grad year they didn't make the playoffs.

Basketball games were the highlights in Bonnie Doon. They gave us a chance to come out of the cold, ... Basketball gave the fans a chance to tactfully sneak into games with our friends 13/26. The boys' teams did well every year. In three years they went to the quarter finals in Grade 10 and semi-finals in Grades 11 and 12, always leaving a well fought battle. Our girls' teams improved with each season from not making the playoffs in Grade 10, to quarter finals in Grade 11, finally to make it to the provincials in Grade 12.

Bonnie Doon produced some of the finest fans, usually four types. The Wild Ones ..., the Mellow Ones ..., The Ones Who Only Went to Wet Their Tongues ..., and the Social Drinkers ...

In Doon we have always had great bands and these years were no exceptions. Our stage bands had many good experiences, such as going to Disneyland in 78/79, leaving such a good impression they were asked back the following year. They even recorded an album called "Great Jubilation" and became movie stars by helping in a film with "Big Miller". They also placed second in Stage Band competition.

Our Drama Department ... produced plays such as "The Match Maker", 78/79; "Kind Lady", 79/80; "Listen to the Wind", 80/81. The plays were considered to be successful.

Bonnie Doon has got to be one of the classiest schools in Edmonton, giving the students a chance to show their raw talents. In the Variety Show, we saw a hippie on stage singing about haircuts and a real mean bunch of idiots: one in a dress with a set of mean looking legs, and lots of cleavage, with a bunch of guys for back-up.

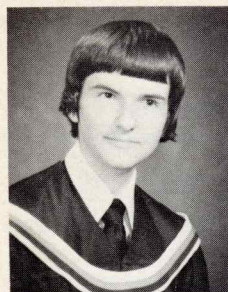

We can never say enough about our faithful secretaries who showed up every day typing out reports and sending our skip notes home.

To our counsellors who desperately tried to sweet-talk us into staying in class, keep up the good work. Who can forget our teachers, the ones we drove to insanity, the ones we helped retire soon. We thank you all for making us what we are tonight - Human.

In closing, I'd like to thank all the parents who made it possible for myself and all my fellow graduates to be here tonight. I'm proud to be a part of this graduating class. Let's go for it tonight -- tomorrow we're leaving on that midnight train to Georgia.

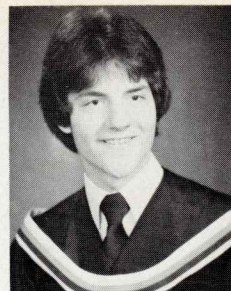

Thank you
W. Gerry Whittaker

In Memoriam

On February 24th, 1980, Mark Stallknecht was involved in a fatal automobile accident.

Mark attended Grade 10 and Grade 11 at Bonnie Doon.

While at Bonnie Doon, Mark was involved with the Junior football team (number 26) and many other extracurricular sports. Snowmobiling was his favorite activity. He was interested in the radio and installed his own radio and stereo equipment. He was also interested in mechanics and working on machinery.

Mark will be especially remembered for his sense of humour and his personality. He will be greatly missed by all who knew him.

Carmen Pulak
on behalf of everyone who
knew Mark Stallknecht

It is not possible to put a person's life into a few sentences. A person is not the sum of his or her interests and ideas ... there is much more.

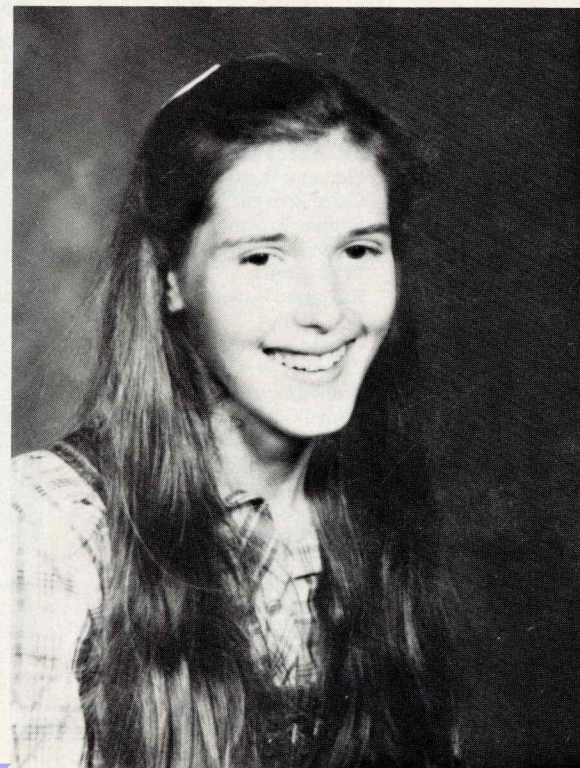

On February 19th, 1981, Jan Hutchinson died peacefully in her sleep.

Jan attended Grade 10 and approximately two weeks of Grade 11 before she was permanently admitted first to the Royal Alex, and then to the W.W. Cross Cancer Institute.

During her time at Bonnie Boon, Jan was involved in the gymnastics club, yearbook committee, swing choir, and student council meetings. She achieved Grade 10 honors and highest honors in Biology, Chemistry, Social Studies and Math.

Jan will be greatly missed at Bonnie Doon. Not only as a student, but as a friend.

Cathy Kuehne

knew Jan Hutchinson

Editor's Message

I never thought the day would come when people would actually read the finished 1981 yearbook. To say the least, it has been very interesting and, on behalf of myself and everyone who helped with the yearbook, we sincerely hope you enjoy the book. Special thanks are due to all the yearbook staff: Marj, Milena, Carmen, Grace, Leslie, Heather, Ms. Olynyk, Mr. Gainer and his photographers. Dick Huber, our ICP representative also deserves a hand for coping with the questions we asked him. Thanks once again and best of luck to all.

Marj Combs

The Notorious Yearbook Gang

MISSION: To Produce a Yearbook.

WHERE: In the Barrens of the Yearbook Room (believe me, it's barren!)

WHO: We Are: (from top to bottom, left to right)

Wendy "Skid" Hawkins - at a whopping 4'5" Skid spent 4 years as a skid row transient before organizing her gang (making the big somolians * now).

Marj "The Knife" Combs - The Knife has always had an unexplained attraction to kitchen utensils, which explains her height, at under 2'.

Carmen "I'm Trying to Cut Down" Pulak - Cut down substitutes a pen for smokes (also known as "Cheapie" because she refuses to buy chocolate smokes - like the rest of the gang). Carmen measures 9'8".

Milena "U.F.O." Mirjanic - U.F.O. was blinded during the 1980 lunar eclipse. Although she is tough at 3', U.F.O. is perfectly harmless. Likes vegetables.

Grace "Mad Dog" Sweet - Watch Mad Dog - she'll bite yer ear off if given the chance. Mad Dog is 9'10" and every inch is tough.

Lesley "Sly" Stratton - Sly is a local blackmailer with a prejudice against pix (wonder why). Sly is only 9'5" so she finds it easy to skulk in alleys and not be seen.

Heather "Baby Face" Rosell - Baby Face is a true degenerate: she only pays half-fare on the bus and gets into movies as a child. Baby Face is 8'11" and often takes candy from middle-aged men.

Ms. C.J. "Leader" Olynyk - Leader is fully qualified for her job as yearbook sponsor, having spent 3 years as head guard at the home for the criminally weird and 6 years as a guard at the zoo.
